ACCA

ACCA (Association of Chartered Certified Accountants) is the largest and fastest-growing international accountancy body, with over 486,000 students and more than 208,000 members in 179 countries. More people around the world qualify in-country with ACCA than any other international body. ACCA's reputation and influence are respected worldwide by employers, government and the profession itself.

WHY ACCA ?

- ACCA has a worldwide reputation for excellence and rigorous qualifications that are recognised and respected across the globe.
- ACCA is ideal for those who would like a career in accountancy or finance, or wish to become a Chartered Certified Accountant.
- The skills you pick up from learning and passing ACCA will help open up new career paths for the future such as in:
  1. GLOBAL ACCOUNTANCY FIRM
  2. EXTERNAL AUDITING
  3. BANKING
  4. CORPORATE FINANCE
- ACCA has partnerships with employers all over the world. There are over 8,500 employers approved by ACCA that offer wide range of opportunities to its members and students.
- ACCA holds partnership with key regulatory and educational authorities around the world including mutual recognition agreements with prestigious global accountancy bodies such as CA Australia & New Zealand, CPA Canada and MICPA.
- Additionally you can also gain additional qualifications on your journey to membership, including:
  - BSc in Applied Accounting from Oxford Brookes University
  - MSc in Professional Accountancy from the University of London.
